

SCHOOL ON THE MOVE Prize

Each fall, EdVestors hosts the Thomas W. Payzant School on the Move Prize. We honor the bright spots in Boston Public Schools and celebrate the hard work of teachers and school leaders who have significantly improved outcomes for their students. We share the stories of how schools improve to help more schools make significant progress. The prestigious School on the Move Prize comes with a \$100,000 award from EdVestors, public recognition, and the opportunity for the winning school to document and share replicable strategies.

Each year, a blue-ribbon panel of leaders selected from a cross-section of Boston’s business, philanthropic, and education sectors dives deep into the stories of these rapidly improving schools and selects one winner and two finalists.

The 2018 School on the Move Prize Ceremony will take place on Wednesday, October 31st at the Boston Harbor Hotel. The 300 guests that attend the Ceremony each year share a deep commitment to closing opportunity and achievement gaps and building Boston’s future.

Sponsorship of the School on the Move Prize Ceremony offers an inside look at urban education and a seat at the table with Boston’s leading minds in school improvement. Investment in EdVestors’ School on the Move Prize is an investment in the next generation of Boston’s leadership and workforce.

Please join us in being a part of what **is** working in the Boston Public Schools.

“Education provides a solid foundation for a growing and thriving city. The School on the Move Prize is an honor that highlights the investment we have made in our children’s education and in Boston’s future. I thank EdVestors for our long-standing partnership dedicated to improving educational outcomes for our students and our school communities.”

- Mayor Marty Walsh
